the modern
family
that loves
traditional
spaces.

LANGFORD LAKE

Set sail in the city

Swim, kayak, paddleboard, fish, sun tan or just play in the sand. Pristine Langford Lake is just minutes from your door. Summer fun every day.

EDUCATION

Teaching the future

Opening 2022, the Government of British Columbia has provided the Sooke School District with \$23.3 million toward the purchase of 6.5 hectares (16 acres) of land in Langford. The district's goal is to build an elementary school and a middle school on site. The site is at the corner of the newly completed West Shore Parkway and Constellation Avenue in the Westhills development.

YMCA / YWCA

Exercise your mind and body

Four stories of fun for the whole family opened in Spring 2016. This new 30-million dollar addition to Westhills and Langford's City Centre Park offers a brand new wave pool, water slides, a lazy river, therapy pools, day care, fitness facilities and more.

GALLOPING GOOSE

Find adventure around every corner

This picturesque multi-use trail, formerly a railway line, moves through urban, rural and wilderness scenery on its 55-kilometer journey from Victoria to Sooke. You can cycle, stroll, run, or even ride a horse through the rural sections. Whether you're commuting to work, meandering on a weekend afternoon or pacing yourself from Sidney to Sooke, the trail is yours to enjoy.
