

THE
LEGACY

SERIES OF FINE HOMES
AT WESTHILLS

Home Interior Inspiration

The Legacy Series interiors are inspired by timeless design, natural warmth and effortless everyday living. Thoughtfully selected finishes, textures and details come together to create spaces that feel refined yet welcoming. Each interior package offers its own distinct character while maintaining a cohesive and enduring style throughout the home.

Langford Lake Dock

One of Westhills' newest outdoor amenities, the swimming dock at Lakepoint Park offers a beautiful place to enjoy Langford Lake, whether you're taking a summer swim, launching a paddleboard or simply relaxing by the water. Connecting to the community by the scenic Ed Nixon Trail, it's another way Westhills brings outdoor recreation and lakeside living close to home.

BoulderHouse

Langford's BoulderHouse is the largest indoor climbing facility on Vancouver Island, with a 150 linear foot climbing wall, a training area and a dedicated kids zone.

Starlight Stadium

Located in the heart of Langford, Starlight Stadium is a premier destination for sports, entertainment and community events. Home to Pacific FC, the stadium hosts professional soccer, local sporting events, festivals and live entertainment, bringing the community together throughout the year.

Find something for the entire family.

YMCA/YWCA

A welcoming destination for recreation, fitness and family fun, the YMCA/YWCA in Westhills offers something for every age. Enjoy a lap pool, wave pool, water slides, lazy river and therapy pools, along with fitness facilities, child care, programs and activities that make it easy to stay active close to home.

Parkdale Hill

Dedicated to the City of Langford in 2021, Parkdale offers 35 acres of vibrant forest with meandering trails. Those who hike to the top are rewarded with panoramic views of downtown Victoria, the Olympic Mountains and Mainland BC.

Langford Gravity Zone & Nature Trails

Explore Langford's natural landscape on an extensive network of hiking and mountain biking trails designed for a range of abilities. Scenic routes wind through the forest to mountain and ocean viewpoints, while the Gravity Zone offers cyclists everything from flowing trails and switchbacks to technical features, jumps and challenging descents.

Westhills Schools

From elementary school through post-secondary education, a range of learning opportunities can be found close to home.

Pexsisen Elementary School and Centre Mountain Lellum Middle School opened in Westhills in 2022, offering modern learning environments for students in the community. Nearby, **Belmont Secondary School** provides a convenient next step for students continuing their education through the secondary years.

Beyond K–12, the **Royal Roads University Langford Campus** in downtown Langford expands access to post-secondary education on the Westshore. Developed in partnership with the University of Victoria, Camosun College and the Justice Institute of British Columbia, the campus brings a diverse range of programs and learning opportunities closer to home.
